

## **SHOWERS**

### **TRITON INSTALLER TRAINING COURSES**

Triton provides free of charge training courses throughout the year for members of the electrical and plumbing trades. Training courses are run at its premises in Nuneaton, Warwickshire.

Installer courses are designed for members of the plumbing and electrical trades wishing to expand their knowledge of electric, mixer and pump shower products and installation best practice.

Courses are run on consecutive days and installers can register to attend either of the 1-day courses or both.
